

QUALITY - HEALTH,  
SAFETY & ENVIRONMENT

**QUALITY - HEALTH,  
SAFETY & ENVIRONMENT**

Our objective is to become a leader in quality and ISO TS 16949 & ISO 9001 & ISO 14001 & OHSAS 18001 certifications and continuous inspections in this regard as well as customer controls ensure us to reach this objective.

Thanks to tri-dimensional measurement and control test equipment, European production standart levels are reached.

**DESIGN & DEVELOPEMENT**

Purplast Design & Development equipped with 3D CAD system is able to meet all your deadlines without compromising from quality.

**DESIGN & DEVELOPEMENT**

**Global Player in Polyurethanes**

Purplast founded in 1980 is one of leading manufacturers of polyurethane parts for the automotive industry in Turkey.

With 300 well-trained and experienced staff, hi-tech machinery (all CNC), large manufacturing capacity (42.000 m2 covered prod. area) and a Design & Development Unit, Purplast is the solution to all your requirements.

Focused on people, health, safety, environment, quality and customer responsiveness values, Purplast has become a reliable partner for the automotive sector throughout to the world.

Our customer portfolio includes MERCEDES BENZ, NEOMAN, EVOBUS, DAIMLER, VOLVO, BMW, VAN HOOB, VDL, SOLARIS, FORD, TEMSA, KARSAN, MCI.

# PRODUCTION

## POLYURETHANE PROCESSING TECHNOLOGY

All of our production facilities equipped with the latest technology offer environmentally friendly CFC free products.

Robot Injection Moulded

Reinforced Polyurethane Mouldings

Assembly Fixtures

Assembly Line

Polyurethane Composite Spray Moulding

Ultrasonic Welding

Laser Cutting Alu-Si

Thermoforming Process

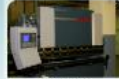

3 Axis CNC Finishing

5 Axis CNC Trimming Corner

Robot Welding

Press Brakes

3 Axis High Speed CNC Tooling Centre

Polyurethane Tool for Interior Trim

# PRODUCTS

Our production & products comply perfectly with automotive industry requirements.

Purplast is specialised in the production of interior and exterior polyurethane, LFI, pDCCD, HC and ABS parts for automotive industry.
